

**ESC2016,  
(35th General Assembly of the European Seismological Commission, 4-10  
September, 2016, Trieste, Italy)**

*Session 13. From active faulting and geodynamic data to the assessment of seismic hazard:  
New constraints and challenges ahead is now assigned for the poster  
board No. 13-19.*

Katalin Gribovszki, Sofi Esterhazy, Götz Bokelmann, Péter Mónus, László Tóth, Károly  
Kovács, Pavel Konecny, Marketa Lednicka, Christoph Spötl, Martin Bednárík, Ladislav  
Brimich, Erika Hegymegi

**Constraints on Long-Term Seismic Hazard From Vulnerable Stalagmites**

*ESC2016, Trieste, Italy*
